

Weather Closings

Sometimes we can get pretty severe weather in this area. We may have to close due to the weather. Because we are in Baugo School District, we will go by their school closings. If we close due to weather, we will contact the WNDU. However, if you see that Baugo School System is closed before we have posted, we will be closed also. We try to make the decision as early as possible. There may be times when we decide to close that Baugo has not made the decision yet. Sometimes, they do not decide until 7am and we would already be open by then. It is very rare that the decision will be made here are GACC before Baugo does. We also try to make the decision before 6am. Generally, if it is not posted by 6am we are going to be open. There are always exceptions though. If we are closed due to weather, you will not be charged for that day.

We do not have delays. Even when Baugo has delays due to weather, we will still be open, unless posted otherwise.

Other Closings

There have been a few occasions where we have had to close due to something malfunctioning at the facility (i.e. electric was off). It happens very rarely as we do try to keep this facility in working order. When this happens you will be called to pick up your child. We understand it may take some time to make arrangements to leave work or have someone pick up your child but we ask that you try to get here within an hour of the call. These are no charge days.

If there is ever a question about whether or not we are open, please feel free to text the director.
